Using printed barcode labels is encouraged for all teams. They should be printed prior to the start of each game. Coaches should maintain control of their team's targets until it is time to hand them out, as the athletes are bringing their gear to the firing line.Á

To print labels, from within Orion's Match Competitors tab, select all of your athletes, right click, and Print Labels.

All paper targets must be scored by Orion as soon as reasonably possible after the athletes turn in their targets. Use Orion's Auto-Score to scan, score, and upload results.

If electronic targets were used, scores must be imported into Orion using either the Sius or MegaLink interface.

F Yj]Yk]b['HUf[Yhg'

All paper targets should be reviewed for accurate scoring. Targets highlighted in Yellow indicate too many or too few shots were found. Common causes and the steps to follow are listed below
